EDUCATION

Dottorato in Cybersecurity

In corso

IMT Scuola Alti Studi, Lucca

Laurea Magistrale in Ingegneria Informatica (LM-32)

24/10/2024

Università Politecnica delle Marche, Ancona

- ◆ *Sviluppo, implementazione e analisi di protocolli quantum-safe per le comunicazioni satellitari*
- ◆ *110/110 cum laude*

Laurea Triennale in Ingegneria Informatica (L-8)

22/07/2022

Università Politecnica delle Marche, Ancona

- ◆ *Esperienze di Penetration Testing in Scenari Eterogenei*
- ◆ *110/110 cum laude*

Diploma di Maturità

31/07/2019

ITIS A. Meucci, Castelfidardo

- ◆ *100/100*

ESPERIENZE LAVORATIVE

Research Assistant

05/2026 – 11/2026

- ◆ *Dipartimento di Ingegneria dell'Informazione, Università Politecnica delle Marche*
- ◆ *Quantum-safe Cryptographic Tools for the Protection of National Data and IT Assets*

Research Assistant

07/2025 – 11/2025

- ◆ *Dipartimento di Ingegneria dell'Informazione, Università Politecnica delle Marche*
- ◆ *Quantum-safe Cryptographic Tools for the Protection of National Data and IT Assets*

Research Assistant

03/2025 – 05/2025

- ◆ *Dipartimento di Ingegneria dell'Informazione, Università Politecnica delle Marche*
- ◆ *Satellite Lightweight Internet Key Exchange*

Research Assistant

02/2024 – 05/2024

- ◆ *Dipartimento di Ingegneria dell'Informazione, Università Politecnica delle Marche*
- ◆ *Over-the-Air Cryptographic Keys Exchange for Secure Governmental Satellite Communications*

CONFERENZE

International Symposium on Information Theory 2026

Guangzhou, China

Presenter

International Conference on Computer Communications and Networks 2026

Tempe, USA

Presenter

International Conference on Communications 2026

Glasgow, Scotland

Presenter

International Workshop on Code-Based Cryptography 2026

Rome, Italy

Presenter

Power Management and Scheduling in the Linux Kernel 2023

Ancona, Italy

Organizing Staff Member

PUBBLICAZIONI

Near-Codewords Aware Bit Flipping Decoding of QC-MDPC Codes

Conference Paper – IEEE ISIT 2026

<https://arxiv.org/abs/2604.18247>

Efficient and Quantum-safe Internet Key Exchange Protocols for Satellite Communications

Conference Paper – IEEE LANMAN 2026

<https://arxiv.org/abs/2605.28660>

Implementation and Transition to Post-Quantum Cryptography of the Minimal IKE Protocol

Conference Paper – IEEE ICC 2026

<https://ieeexplore.ieee.org/abstract/document/11587779>

SPECK: Signatures from Permutation Equivalence of Codes and Kernels

IACR Cryptology ePrint Archive

<https://eprint.iacr.org/2025/923>

COMPETIZIONI

Huawei ICT Competition 2024-2025

24/05/2025

2nd place – Computing Track finalist

Huawei ICT Competition 2023-2024

26/05/2024

2nd place – Network Track finalist

Web App Contest Cupra

02/06/2023

1st place – Web application development competition

HackUNIVPM 2023

17/03/2023

1st place – Hackathon focused on software development and innovation

6th Workshop on Enabling Security, Trust, and Privacy in 6G Wireless Systems

Technical Program Committee Member – IEEE ICC 2026
